This guide will show you how to delete inspections.

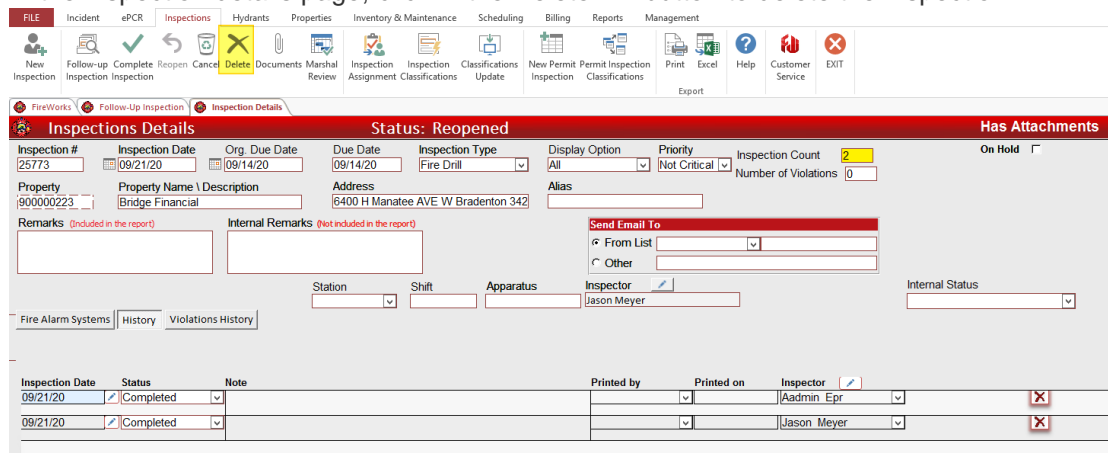

In the administrative backoffice, go to the Inspection Module—Follow-up Inspections. Search for the inspection you want to delete, then double click in the inspection number to go to Inspection Details page.

The screenshot shows the 'Follow-Up Inspection' search interface. At the top, there is a navigation bar with various icons. Below it, a search form contains fields for 'Due date', 'Inspection #', 'Status', 'Inspection Type', 'Inspector', 'Station', 'Shift', and 'Apparatus'. There are also filters for 'All', 'This Week', 'This Month', 'This Year', and 'By Date'. A table below the search form lists inspection records with columns for 'Insp. #', 'Apparatus', 'Property Name \ Description', 'Address', 'Unit Number', 'Alias', and 'Property'. A yellow callout bubble highlights the 'Insp. #' column, with the text 'Double click in the inspection number to go to inspection details'.

| Insp. # | Apparatus   | Property Name \ Description | Address                                      | Unit Number | Alias | Property |
|---------|-------------|-----------------------------|--|-------------|-------|----------|
| 25773   | Jason Meyer | Bridge Financial            | 6400 H Manatee AVE W Bradenton 34209 Florida |             |       | 9000002  |
| 25772   |             | Blake Medical Center        |  |             |       | 8005201  |
| 25771   |             |                             | 760 BROADWAY                                 |             |       | 707340   |
| 25762   |             | Trtr                        |  |             |       | 8005050  |
| 25761   |             | Cypress Winds -#26          | 6904 Manatee AVE W Bradenton 34209 Florida   |             |       | 9000003  |
| 25758   |             | New development             |  |             |       | 8000043  |
| 25757   |             | dsdsf                       |  |             |       | 901      |
| 25755   |             | njnjj                       |  |             |       | 8005040  |

In the inspection details page, click in the Delete “X” button to delete the inspection.

The screenshot shows the 'Inspection Details' page for inspection 25773. The status is 'Reopened'. The page includes fields for 'Inspection #', 'Inspection Date', 'Org Due Date', 'Due Date', 'Inspection Type', 'Display Option', 'Priority', 'Inspection Count', and 'Number of Violations'. There are also sections for 'Remarks', 'Internal Remarks', and 'Send Email To'. A table at the bottom shows a history of inspections with columns for 'Inspection Date', 'Status', 'Note', 'Printed by', 'Printed on', and 'Inspector'. The 'Delete' button (marked with an 'X') is highlighted in the top navigation bar.

| Inspection Date | Status    | Note | Printed by | Printed on | Inspector   |
|-----------------|-----------|------|------------|------------|-------------|
| 09/21/20        | Completed |      |            |            | Aadmin Epr  |
| 09/21/20        | Completed |      |            |            | Jason Meyer |

Please remember this will erase all visits, and attachments related to this inspection.
